**Safe Ride Update:** There have been some confusion on drivers lately. It seems that some of the bars do not have the new numbers for Josh. His numbers are: 920-789-0267 or 787-9055. Josh has a varied work schedule so may not be available at times, but he does his best to be available. We are in the process of interviewing new drivers. As soon as some are hired, new calendars will be coming out. Please be sure to post these in your taverns where all of your bartenders can locate them. This seems to be part of the problem. Please be patient with us. We are doing our best to make this program run smoothly.

### **Just a friendly reminder to all of our members....**

This league is ran by local tavern VOLUNTEERS. We do our best to help all of you better your business and keep you informed of state issues, new marketing ideas and products, ect. The fund raisers that are held are a lot of work for only a hand full of people. We need your help. It was recently brought to my attention that some members are upset with the fact that some of the events are not being held at their establishment. Places for these fund raisers are determined by the establishments interest to have the event and voting if necessary. If you do not attend a meeting or call one of the board members and express your interest to be involved, we cannot read your mind. We all benefit from these events. The positive press that we get for our donations and safe ride program only help the image of our industry. I urge you to attend a meeting to see what our league is all about. I know that we are all busy. It is only a couple of hours once a month. Maybe you cannot attend every meeting, but any of them would be a great help to all. The economy has got us all down. We need to work together to keep our industry strong. If you have any questions or concerns about our league, please feel free to give me a call. Some of our meetings are on the outskirts of the county. If any of you are interested in meeting at a central location and carpooling, that would be great. --- Thank you, Denise

**TOUR THE COUNTY COUPON BOOKS:** Ads are starting to roll in. The price of the ad has changed to \$15 and the price to buy the book is \$5. We want to get these books out along with the poker run books by Memorial weekend. Get your business card and coupon special to your director. Wherever you go ask if they want to participate in the TOUR THE COUNTY BOOK. All you need is a business card and have them write on the back what their coupon to be.

**Poker Run:** We are currently updating the books. At the April meeting at Jorgie's, we will be voting on a place for the party. You need to be present at the meeting and be able to hold 75 or more to be chosen to hold the event.

**Jailbreak Marathon:** Sheriff Peterson is looking for bikers/cars to run the route for the marathon. We will need you from approx 7am to 1pm on April 24. All we do is get a route to run for a certain time period. We are watching out for runners and making sure all is ok out there. If you have held bike runs, you know how important it is and time consuming for the sheriff's dept to help us out. This is a way to pay them back. Please contact Sheila if you are interested in helping.

**TAVERN STUFF FOR SALE:**

Johann's – Almost new, 4 bowl, stainless steel sink with dual drain boards and faucets.  
\$600.00

Dakota Inn - 3 door stainless cooler, one gun soda system w/shelf for box soda, 4 brush auto glass cleaner.

**A REMINDER FOR THE NEW YEAR:** If you have a benefit for something or someone, please let Sheila now how much money was raised. These figures are published and give us a good name by contributing back to our community.
